# ABOUT US

Rahamaniya infra was founded in 2021 by Mr. R.Najipdheen with a clear purpose—to build strong, reliable infrastructure that stands the test of time. As a State Class 1 Contractor, the company has been actively involved in shaping roads, bridges, culverts, and drainage systems, making everyday travel smoother and safer.

From small-scale road repairs to large infrastructure projects, Rahamaniya Infra takes on every project with dedication. The company specializes in civil road works, minor and major bridge construction, culverts, drainages, and the supply of ready-mix concrete and raw materials. Every structure built reflects commitment to quality, durability, and efficiency.

With a growing presence in Tier 2 and Tier 3 cities, the company understands the unique challenges of developing infrastructure in these regions. The focus is on delivering cost-effective solutions without compromising on strength and reliability. Whether it's a rural road that connects communities or a bridge that supports heavy transportation, Rahamaniya Infra ensures that every project is built with precision.

The company values transparency, timely delivery, and customer satisfaction. The team works closely with clients, understanding their needs and providing practical solutions that fit their budgets. With a team of skilled professionals and the use of modern techniques, Rahamaniya Infra continues to make a difference in infrastructure development.

For those looking for a contractor who values trust, quality, and efficiency, Rahamaniya Infra remains a dependable name in the industry.

## OUR **VISION**

---

To be a trusted leader in infrastructure development, recognized for commitment, excellence, and timely project execution.

## OUR **MISSION**

---

Delivering strong, sustainable, and cost-effective infrastructure solutions that contribute to the nation's development while maintaining quality and safety.

# CORE VALUES

---

## QUALITY FIRST

Delivering durable and long-lasting structures.

## INTEGRITY

Building trust through transparency and professionalism.

## INNOVATION

Adopting modern techniques for efficiency.

## COMMITMENT

Ensuring on-time project completion.

# WHY CHOOSE RAHAMANIYA INFRA?

## EXPERIENCED TEAM

A skilled workforce with years of industry expertise

## RELIABLE MATERIALS

Sourcing high-quality raw materials for strong foundations.

## TIMELY EXECUTION

Completing projects within deadlines without compromising standards.

## CUSTOMER FOCUS

Understanding client needs and delivering results that exceed expectations.

# OUR TURNOVER

## SALES PERFORMANCE

# OUR SERVICE

---

## CIVIL ROAD WORKS

Rahamaniya Infra has been delivering high-quality road construction services since 2021. From highways to city roads, the team ensures strong, long-lasting, and well-planned roads using top-grade materials and efficient construction methods. With a deep understanding of infrastructure needs, Rahamaniya Infra focuses on durability and precision, ensuring smooth and safe roads that stand the test of time.

## MINOR AND MAJOR BRIDGE CONSTRUCTION

Building safe and sturdy bridges requires expertise, and Rahamaniya Infra brings years of experience to the table. Whether it's small crossings or large-scale bridges, the company follows strong engineering standards and high-quality materials to create reliable structures. Every bridge is built with careful planning, ensuring smooth connectivity and long-term strength, making travel safer and more convenient.

## CULVERTS AND DRAINAGES

A well-planned drainage system is crucial for preventing waterlogging and structural damage. Rahamaniya Infra specializes in constructing efficient culverts and drainage systems that improve water flow and reduce flooding risks. Every project is executed with a focus on durability and functionality, ensuring smooth water management and long-lasting infrastructure solutions.

## SUPPLY OF READY-MIX CONCRETE

Rahamaniya Infra has been delivering high-quality road construction services since 2021. From highways to city roads, the team ensures strong, long-lasting, and well-planned roads using top-grade materials and efficient construction methods. With a deep understanding of infrastructure needs, Rahamaniya Infra focuses on durability and precision, ensuring smooth and safe roads that stand the test of time.

## RAW MATERIAL SUPPLY

From sand and gravel to high-quality cement and steel, Rahamaniya Infra supplies top-grade raw materials for construction projects. Understanding the importance of quality in every build, the company ensures that all materials meet industry standards, helping clients achieve strong and lasting structures with reliable and timely supply.
